OFFICE OF PETITIONS

In re Application of
Shin-Tson Wu et al.
Application No. 10/786,282
Filed: February 24, 2004
Attorney Docket No. UCF-388

:
:
: DECISION ON PETITION
:
:

This is a decision on the renewed petition under the unintentional provisions of 37 CFR 1.137(b), filed August 1, 2007, to revive the above-identified application.

The petition is **GRANTED**.

This application became abandoned for failure to timely pay the petition and entire issue fees on or before February 21, 2007, as required by the Notice of Allowance and Fee(s) Due, mailed November 21, 2006. Accordingly, the date of abandonment of this application is February 22, 2007.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of an authorization for payment of the remaining issue fee of \$400.00; (2) the petition fee of \$1500.00; and (3) a statement of unintentional delay. The required fees were charged to Deposit Account No. 504188 pursuant to the authorization filed August 1, 2007.

37 CFR 1.137(b)(3) requires a statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional." Since the statement appearing in the petition varies from the language required by 37 CFR 1.137(b)(3), the statement is being construed as the required statement. Petitioner must notify the Office if this is **not** a correct reading of the statement appearing in the petition.

Telephone inquiries concerning this decision should be directed to Brian Sines at (571) 272-6051 or in his absence, the undersigned at (571) 272-7099.

This application is being referred to the Publishing Division for processing into a patent.

Honorable Commissioner:

This is a request for reconsideration of the Decision on Petition mailed July 24, 2007 that was based on the PTO not being able to read a credit card authorization form. Applicant now sets forth their Deposit Account Number below so that the correct fees will clearly be applied. The above-identified patent became abandoned for failure to pay Issue fees due 02/21/2007, as an unintentional error was made when calculating the fees. Petitioner requests that the Renewed Petition for Revival of abandoned application Under 37 CFR 1.137(b) be accepted.

Applicant further states that his lack of reply was:

1. Unintentional;
2. Filed upon receipt of the enclosed Notice of Patent Expiration,
3. Is accompanied by the Issue and Petition fees required and the Commissioner is hereby authorized to charge any appropriate fees under 37 CFR 1.16, 1.17 and 1.21 that may be required by this paper including any underpayments, and to credit any overpayment, to Deposit Account No. 504188 and
4. Issue Fee Transmittal Form PTOL-85.

Applicant and his Attorney further request that the Renewed Petition for Revival be accepted, and the patent be revived as an unintentional error occurred.

If there are further requirements, please contact the undersigned immediately.
